ABOUT ME

- As a front-end web developer proficient in HTML, CSS, JavaScript, and ReactJS, I'm determined to advance into a MERN stack developer role. With a BCA degree and a fervent interest in technology, I aim to innovate and create impactful solutions. I am adept at utilizing Bootstrap, TailwindCSS, StyledComponents, and SASS to enhance user experiences. Alongside coding, I indulge in photography, finding inspiration in the fusion of art and technology. My goal is to continuously refine my skills, contribute to cutting-edge projects, and make a meaningful impact in the digital landscape. Eager to embark on new challenges, I am committed to lifelong learning and staying abreast of emerging trends in the ever-evolving field of web development.
